

SUMIT SINGH BISHT

graphic designer

About Me

A Graphic Designer with two years of experience working as the lead designer of TecWhiz (the tech society of P.G.D.A.V.) and overseeing and creating the individual project for Society. Expert in social media designing and layout creation, which is proved to be a valuable addition to developing the society's instagram account. Always use the out-of-the-box principle in creating the project, so it will come out with more powerful exposure and strength to attract public attention to the promotion campaign.
